Dear General Pattison:

I want to express my personal thanks for a group of oil paintings and watercolors which the Agency recently obtained on loan from your office. We plan to display them in our new Headquarters Building.

My representatives tell me they were impressed with the cordiality and cooperation of your staff in assisting us, and especially helpful in this manner were Mrs. Marian R. McNaughton and Miss Lorene B. Mayo of your Historical Properties Branch.

Faithfully yours,

(Signed) Marshall S. Carter
